NDJOCK MICHEL JUNIOR

Web Developer

ABOUT

I am a passionate and creative web developer with over 4 years of experience in building responsive and user-friendly websites. I have a strong knowledge of HTML, CSS, JavaScript, React.js, Node.js, as well as experience with web design tools such as Adobe Photoshop and Figma. I am equally experienced with DevOps and Server management. I love writing beautiful code and I enjoy learning new technologies and frameworks to enhance my skills and deliver high-quality products to clients. Some of my recent projects include a 3D art gallery, an automatic MCQ correction platform, and a website for an oil and gas company.
